 A 501(c)3 Nonprofit Organization  
 P.O. Box 319, West End, N.C. 27376

Dear CGA Friend:

I just finished reading some thank you letters from students who benefited from your donations to the Carolinas Golf Foundation last year. I am proud to report that your donations to the Carolinas Golf Foundation, a 501(c)3 non-profit organization, resulted in a life-changing event for one of our recipients.

A young lady named Taylor, who worked with the First Tee of Spartanburg, SC, received an intern grant. She wrote this to us:

*"Working for the First Tee of Spartanburg was an unbelievable experience and has definitely changed my life. One participant really touched my heart. Sammy is 12 years old and has Down syndrome. Sam made me learn to appreciate life and to persevere through whatever life throws my way. Without the grant and the opportunity, I would have never gotten to meet and get to know this amazing boy."*

Another young man named Zachary received a scholarship to continue his college turfgrass studies. He wrote:

*"Not only is it nice to help out with paying tuition, it provides even more motivation to do the best I can in my course work. When I graduate... I want to...become a golf course superintendent where I can promote responsible practices for maintaining a golf course."*

What great testimonies and endorsements these are for your past contributions! You are making a difference!

While the golf business may be somewhat depressed, your donations are lifting spirits around the Carolinas! We ask for your donation to help continue these great testimonials! And remember that the CGA will match your gift and also absorb 100% of the administrative fees. How's that for a stimulus plan? Of course, your donation is fully tax deductible.

And we have another exciting announcement! You can now show your support by displaying the CGA logo on your vehicle license plate. The cost of the tag is \$30 (plus your normal tag registration fee) and the proceeds from each tag renewal support golf at the grass roots level. Once we have 300 applications, the DMV will then print and distribute the tag to you directly. If you have any questions regarding the specialty tag program, please contact Jason Cox at the CGA office. (This plate is valid only for vehicles registered in North Carolina. Therefore, if you do not qualify, please pass this along to your family or friends who do!)

So now you can help in two ways! To donate to the Carolinas Golf Foundation and/or apply for a North Carolina tag, simply return your checks in the enclosed envelope. Or you can complete the process online with a credit card by going to [www.carolinan.org](http://www.carolinan.org) and clicking on the Foundation icon or License Plate icon.

We look forward to working with you on our Foundation and License Plate program.

Sincerely,

Jack Nance  
 Executive Director
