Caddies and Spectator Carts: Caddies are not permitted at CGA one-day tournaments. Spectator carts are permitted as provided in the CGA Tournament Manual.

Personal Items: Make sure not to leave any valuable personal items unattended such as jewelry, wallets, etc. even if they are tucked away inside your golf bag. It is best to leave your valuables locked in your automobile. Neither the CGA nor the host club will be held responsible for any lost or stolen personal items.

Cell Phones: Except for emergencies, a ruling, viewing tournament leaderboard or use as a distance measuring device, cell phone use is not allowed on the golf course during tournament rounds.

Distance Measuring Devices: Local rule allowing the use of conforming distance measuring devices will be in effect (i.e. measure distance only). Note that if a smartphone or tablet is used as a distance measuring device, the distance measuring application must measure distance only and the device must not have any other applications

that would render the device non-conforming (i.e. GPS altimeter or anemometer). Compass and weather applications are now permitted on the device.

Registration: Inquire in the golf shop for registration location to pick-up score card and receive tournament information.

Pace of Play: The CGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace; therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

1. Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
2. Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
3. Be ready to play when it is your turn.
4. Keep practice strokes and time taken to read putts to a minimum.
5. Play a provisional ball if your original ball may be lost or out of bounds.
6. Keep time taken at the snack bar or between nines to a minimum. If everyone does their part, then 4 ½ hours should be the maximum time taken to play a round of golf at a CGA tournament. Your CGA issued score card will have the acceptable pace of play per hole printed on it.

Text Notifications: The Carolinas Golf Association has a new text (SMS) notification feature in the TPP tournament software that will be used to send text messages to your mobile phone in the event of tournament schedule changes, delays and cancelations. This is a free service provided by the CGA. Note that standard texting and data rates apply based upon your cell phone plan.
