Pace of Play:	The CGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace; therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all: <ol style="list-style-type: none"><li>1. Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.</li><li>2. Go directly to your ball. If sharing golf cart drop-off the player farthest from the hole then proceed to the other ball.</li><li>3. Be ready to play when it is your turn and keep practice strokes and time taken to read putts to a minimum.</li><li>4. Play a provisional ball if your original ball may be lost or out of bounds.</li><li>5. Keep time taken at the snack bar or between nines to a minimum. If everyone does their part, then 4 ½ hours should be the maximum time taken to play a round of golf at a CGA tournament. Your CGA issued score card will have the acceptable pace of play per hole printed on it.</li></ol>
