For two penalty strokes, the player may take relief by dropping the original ball or another ball in a large area between the point where the ball is estimated to have come to rest or gone out of bounds and the edge of the fairway of the hole being played that is not nearer the hole (see Rule 14.3): Model Local Rule E-5.

But interference does not exist if the aeration hole only interferes with the player's stance or, on the putting green, on the player's line of play. Model Local Rule E-4.

All other suspensions will be signaled by three consecutive notes of a siren or horn. In either case, resumption of play will be signaled by two short notes of a siren or horn (unless otherwise indicated). See Rule 5.7b. **Note:** All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification under CGA Code of Conduct.

TIME OF STARTING – A player is responsible for being at the assigned tee promptly to begin play on time. **Tee Times:** If a player arrives at their starting point, ready to play within five (5) minutes of his starting time, the penalty for failure to start on time is two strokes (Rule 5.3a).

PACE OF PLAY – Pace of play guidelines are listed on the player's score card. Each group is expected to keep pace with the group ahead. The CGA official-in-charge will decide any necessary pace of play penalties.

SCORECARDS AND SCORE POSTING – The USGA Rules of Golf requires each score on the scorecard to be clearly identifiable as the gross and the net score of the individual partner who made it (23.2b (1)). The CGA scoring policy requires markers to record ALL hole scores for all players for handicap purposes. The CGA will automatically post scores from this tournament to each player's handicap scoring record. Please do not post these scores yourself as this will duplicate the CGA's effort. Section 5-2f of the USGA handicap manual allows a tournament committee to post scores for players. For unfinished holes, enter the score you most likely would have made (more often than not) and precede that score with an X (e.g. X-6) to denote that the player did not hole out. For holes not started, enter par plus any handicap strokes you would have received on the hole. Failure to record individual hole scores may jeopardize participation in future CGA Senior Four-Ball one-day tournaments.

SPECTATORS are not permitted to ride in a player's cart at any time or rent a spectator cart at any CGA one-day tournament except as provided in the CGA Tournament Manual.

ROUND – The round consists of two nine-hole rounds for a total of 18 holes. Nine-hole scores may be used in the event of inclement weather.

TIES, PLAYOFFS & PRIZE DISTRIBUTION – See prize distribution posted at scoreboard. Any playoff necessary to determine 1st gross or last place gross, 1st net or last place net in a division will be resolved on the score card using the following method. Scorecards playoff will be decided based on the score for the last nine holes (10-18), last six holes (13-18), last three holes (16-18) and finally the 18th hole. If there is still a tie then score cards will be matched beginning with Hole 18 going backwards. Merchandise must be redeemed at the host club. The CGA is not responsible for any unclaimed or unredeemed merchandise certificates after a tournament play date. It is the player's responsibility to claim or redeem a certificate or golf shop credit prior to leaving a tournament site. The CGA will not replace any lost or unclaimed merchandise certificates/gift cards after a tournament is played.

WHEN COMPETITION IS FINAL – The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.

SCORECARD – A player's scorecard is deemed returned (no changes allowed to scorecard) once the player verbally acknowledges the scores posted in the USGA TM software are correct and leaves the scoring area.

BUNKERS – If a ball comes to rest in a bunker, the player may lift the ball, smooth the area they intend to place the ball, and place the ball in that area. This area must be in the bunker and within one club-length of the original lie of the ball. The ball may be cleaned when lifted.

FLAGSTICK – Under the Rules of Golf, players are permitted to leave the flagstick in the hole while putting. At this time, touching or removing the flagstick and replacing it before a stroke is deemed a CGA Code of Conduct violation at this time and is subject to penalty. If a player removes the flagstick and makes a stroke with the flagstick removed, the player will be subject to the general penalty for each offense.

RULES COMMITTEE – CGA official-in-charge has final authority on any rulings.
