TPP ADMINISTRATIVE PROCEDURES

Once you login, click on “**Select**” for the league and year and then click “**Select League**”.

1. HOW TO SET YOUR TEAM ROSTER

1. Under the **Teams** tab in the top left, select **Set Team Roster**.
2. Select Add to **Team Roster via Club Roster** to bring up your club’s handicap roster.
3. Select all players that you wish to participate during the season. Players are listed in alphabetical order.
4. You can choose all eligible players on your club’s roster or just the eight that are playing in a particular match.
5. You can add players from this list throughout the season; you do not need to put all players on your team immediately.
6. Note: low index must be no more than 18.4 if a **REGULAR** League team.
7. Click **Add** to add players to team roster.

2. HOW TO SET YOUR TEES

1. Under the **Teams** tab, select **Set Team Home Tees**
2. Use the same tee for all matches. Select **Edit** for your Club/Course.
3. Use the drop down box to select the default tees to be used and hit **Save**.
4. If you are using a combination tee that is not listed, you can manually enter the course rating and slope to better reflect the appropriate tee.
5. Use the bottom section to: (Optional) Select Tees Below to use for each match position if they are different than the default tee above.

3. HOW TO SET YOUR MATCH ROSTER (and Match Dates)

Set Match Dates:

1. Under the **Teams** tab, select Weekly Management.
You will see Rounds 1-4 (Note: they don't have to be played in this order)
2. Click on Show Lineup for each Home Match (*Note: captains can only enter Dates for Home matches*).
3. In the upper right look for Play Date. Click on the calendar and set your date.
Dates can be changed any time (if re-scheduled) before submitting results.

Set Match ROSTER:

1. Under the **Teams** tab, select **Weekly Management**.
2. The **Team Management** menu shows your regular season schedule, from here you can select your match lineup, and input scores for matches.
3. To select players for a match, click on **Show Lineup**.
4. Click on **Add Player** to select a player from your roster to play in the match.
5. Select whichever player you want
6. Players can be sorted alphabetically, by handicap index, course handicap, or GHIN number by clicking on the category header.
7. Players must be selected one at a time.
8. Players need to be listed in handicap order. Use the arrows on the right of the screen to put players in the correct order.
9. The Player in position 1A will play four-ball with the player in position 1B and so forth.
10. Make sure to click Submit Roster when you finish.
11. You will have the option of e-mailing your roster to:
 - a. The opposing team captain(s)
 - b. The opposing team captain(s) and your players
 - c. Your players only
 - d. Don't send any e-mail
12. When all players have been entered click **Teams** tab. Select Weekly Management, then select Show Scores. This will bring up your **Weekly Scorecard / Worksheet**.
13. To print off your match worksheet click on Print on the top right side of the screen.

4. HOW TO INPUT MATCH SCORES/RESULTS

1. Under the **Teams** tab, select **Weekly Management**.
2. Select **Show Scores** for the appropriate match.
3. To input Four-Ball results, click on **Score** for each team match (both players names listed, i.e. Thompson, R. / Boyd, J.) on the right side of the screen.
4. Use the up and down arrows to indicate total points (0 – 18) won by each team and hit **Save**.
5. To input Individual Scores, click on **Score** for each row of individual players (on the right side of the screen) and input both players ESC Gross Score. IGNORE THE POINTS BOX. Then hit Save.
6. You can also specify if the match was played over 18 holes or just 9 holes. If it was only 9 holes, you will need to indicate these are 9 hole scores.
7. When you are done, all match results should be filled out.
8. Make sure to hit **Submit Overall Match Results** at the bottom of the screen.
9. POD standings (points) will be calculated for you. Player's scores will be posted automatically to GHIN. The POD standings will also be updated automatically.
