

**9th Carolinas Women's Match Play
Cowans Ford Country Club
Stanley, NC
July 11-13, 2006
Champion: Lauren Hunt,
Little River, SC**

They say that third time's a charm, but that didn't seem to hold true for Michelle Jarman of Wilmington, NC. This is the third time in a row that she has finished as a runner-up in this championship. Jarman faced Blythe Worley in the semifinals and it seemed that every putt she stood over she made. "I was feeling really good about the finals - I am disappointed that I didn't win but Lauren (Hunt) made some great putts and there's not much I can do about that," Jarman said. Lauren Hunt of Little River, SC is no stranger to winning. She is a past Women's Carolinas Amateur Champion and has been very successful in the junior ranks. She also was the co-medalist in the 2006 US Women's Amateur qualifier. Hunt faced fellow teammate Sydney Crane of Jamestown, NC in the semifinals and made a great par-save putt on the eighteenth hole to close out the match to win 1-up over her friend. Hunt took that momentum into her final match against Jarman and went four under after twelve holes to close Jarman out 5 & 4. Hunt said, "I made a lot of great putts in this final match. I had heard that Michelle had a hot putter so I really focused on making some putts. I was lucky they fell for me. I am honored to have won this championship."
