Format and Rules

USGA Rules of Golf govern play. Tournament format is 18 holes of four-ball stroke play, gross and net scores. According to USGA handicap procedures, 90 percent of a men's/95% of women's course handicap is used to determine net scores. If the difference between the partner's course handicaps exceeds eight strokes, then an additional 10 percent reduction is applied to both team members. Teams may choose to compete in any division in which they are eligible. Divisions are based upon team gender and age combination. Division options and yardage: Men A (6500-6800 yards), Men B (6000-6300 yards), Men C (5700-6000 yards), Mixed (one male (6000-6300 yards)/one female (5000-5400 yards)), All Women (5000-5400 yards). A minimum of four teams is required to create a division. Otherwise, teams are combined together using the appropriate handicap adjustment for the difference in course ratings. Division changes are not allowed after entries close.

Partner substitutions made within five days of the tournament date must be approved in advance by the CGA office. Any on-site partner substitutions may result in the new partner playing at scratch. Competitors must subscribe to all host club restrictions concerning dress, coolers, etc. Cart use is mandatory for tournament rounds and caddies are not allowed. Spectator carts are not allowed except as provided in the CGA Tournament Manual. Practice rounds are not available. Metal and ceramic spikes are prohibited. The CGA monitors handicap score posting and reserves the right to adjust course handicaps and/or withhold prizes for competitors whose handicaps are considered unrealistic or who have participated in a disproportionate share of CGA prize distributions. **CGA will automatically post tournament scores for participants back to their home club handicap. Players or teams failing to list all hole-by-hole scores may face suspension from future CGA one-day tournaments.**
