CGA One-Day Four-Ball Tournament Notice to Players

2010-11 USGA Rules of Golf, the local rules on both sides of this sheet and any additional local rules posted at the starter's table or announced prior to play governs at this CGA One-Day Four-Ball Tournament.

TIME OF STARTING – A player is responsible for being at the assigned tee promptly to begin play on time. **Tee Times:** If a player arrives at their starting point, ready to play within five (5) minutes of his starting time, the penalty for failure to start on time is two strokes instead of disqualification (Rule 6-3, Note). **Shotgun Start:** If a player arrives late but within five minutes after the assigned starting time, the penalty for failure to start on time is two strokes at the first hole instead of disqualification (Rule 6-3b, Note). The assigned starting time for shotgun events is when a) a horn or siren is sounded, b) if no horn or siren is used, when the group can play without interference or c) if the player is in the second group to start on an assigned hole, when that group can play without interference.

SCORING - The USGA Rules of Golf requires a marker to record only the gross score of the player whose net score is to count (Rule 31-3). The CGA scoring policy requires markers to record ALL hole scores for all players for handicap purposes. This enables the CGA to post scores to each player's handicap scoring record. Please do not post these scores yourself as this will duplicate the CGA's effort. Section 5-2f of the USGA handicap manual allows a tournament committee to post scores for players. The CGA will do this automatically for you. How to record scores for holes not completed: For unfinished holes, enter the score you most likely would have made (more often than not). For holes not started, enter par plus any handicap strokes you would have received on the hole. Failure to record individual hole scores may jeopardize participation in future CGA one-day tournaments.

HANDICAP ALLOWANCE - 90% of Course Handicap derived from a player's CGA handicap index. Maximum of 30 strokes. If a team has a Course Handicap difference of eight strokes or more, each team member will receive an additional 10% Course Handicap reduction. Teams are divided into flights according to team gender composition and handicap (Men A, Men B, Mixed/Women).
