**2012-15 USGA Rules of Golf, the local rules on both sides of this sheet and any additional local rules posted at the starter's table or announced prior to a shotgun start governs play at this CGA Senior Four-Ball One-Day Tournament.**

Sr Four-Ball One-Day 2012-15

**TIME OF STARTING** – A player is responsible for being at the assigned tee promptly to begin play on time. **Tee Times:** If a player arrives at their starting point, ready to play within five (5) minutes of his starting time, the penalty for failure to start on time is two strokes instead of disqualification (Rule 6-3a). **Shotgun Start:** If a player arrives late but within five minutes after the assigned starting time, the penalty for failure to start on time is two strokes at the first hole instead of disqualification (Rule 6-3a). The assigned starting time for shotgun events is when a) a horn or siren is sounded, b) if no horn or siren is used, when the group can play without interference or c) if the player is in the second group to start on an assigned hole, when that group can play without interference.

**SCORE CARDS AND SCORE POSTING** - The USGA Rules of Golf requires a marker to record only the gross score of the player whose net score is to count (Rule 31-3). The CGA scoring policy requires markers to record ALL hole scores for all players for handicap purposes. This enables the CGA to post scores to each player's handicap scoring record. Please do not post these scores yourself as this will duplicate the CGA's effort. Section 5-2f of the USGA handicap manual allows a tournament committee to post scores for players. The CGA will do this automatically for you. How to record scores for holes not completed: For unfinished holes, enter the score you most likely would have made (more often than not) and precede that score with an X (e.g. X-6) to denote that the player did not hole out. For holes not started, enter par plus any handicap strokes you would have received on the hole. Failure to record individual hole scores may jeopardize participation in future CGA senior four-ball one-day tournaments.

**HANDICAP ALLOWANCE** - 90% of Course Handicap derived from a player's CGA handicap index. Maximum of 18 strokes. If a team has a Course Handicap difference of more than eight strokes, each team member will receive an additional 10% Course Handicap reduction. Additional course handicap reductions may be imposed according to the multiple net winner policy. Teams are divided into Tournament and Super Senior divisions.

**TIES, PLAYOFFS & PRIZE DISTRIBUTION** – See prize distribution posted at scoreboard. Any playoff necessary to determine 1<sup>st</sup> gross, 2<sup>nd</sup> gross, 1<sup>st</sup> net or last place net in a division will be resolved on the score card using the USGA recommended method on page 143 of the 2012-15 USGA Rules of Golf. If there is still a tie then score cards will be matched beginning with Hole #1. Merchandise must be redeemed at the host club. The CGA is not responsible for any unclaimed or unredeemed merchandise certificates after a tournament play date. It is the player's responsibility to claim or redeem a certificate or golf shop credit prior to leaving a tournament site. The CGA will not replace any lost or unclaimed merchandise certificates/gift cards after a tournament is played.

**KNOCKOUT RULE** - A team is disqualified from a tournament if they beat the course rating by 12 strokes or more AND beat the next best net score in their division by four strokes or more. Example: Course rating is 70.2. A team posts a net 54 then the next best net score in their division is net 59. The net 54 team is disqualified.
