Tournament Policies

Sedgefield Country Club is a spikeless facility. The penalty for non-compliance is disqualification. The "Notice to Players" rules sheet is available on the Carolinas Club Championship home page.

Pace of Play: A group that is out of position will be advised of the situation and the individuals may be timed. The players will be notified that exceeding 40 seconds to play their next shot will result in a warning. A second violation will result in a one stroke penalty to the individual. A third violation will result in a two stroke penalty to the individual followed by team disqualification for a fourth violation.

A player's time to play begins when the player has had a reasonable opportunity to reach his or her ball and when it is the player's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.

Distance Measuring Devices: Local rule allowing the use of conforming distance measuring devices will be in effect (i.e. measure distance only). Note that if a smartphone or tablet is used as a distance measuring device, the distance measuring application must measure distance only and the device must not have any other applications that would render the device non-conforming (i.e. GPS altimeter or anemometer). Compass and weather applications are now permitted on the device.

Text Notifications: The Carolinas Golf Association has a new text (SMS) notification feature in the TPP tournament software that will be used to send text messages to your mobile phone in the event of tournament schedule changes, delays and cancellations. This is a free service provided by the CGA. Note that standard texting and data rates apply based upon your cell phone plan.
