## **ENTRIES AND ONLINE REGISTRATION**

Teams may register online or by paper entry. Paper, mail-in entries will be prioritized by date received at the CGA office (on or after the entries open date) and must include a full entry fee by check in order to be considered. Mail-in entries received prior to the entries open date are deemed to have been received on the entries open date. Teams will be notified of entry by email after the paper, mail-in entry is received.

Fax, telephone, incomplete, illegible, or entries received before the opening date and after the closing date, are not accepted.

**Entries are accepted on a first-come, first-served basis.\***

The field will be limited to the first 24 teams that register, including exempt club teams. Clubs may submit up to two teams. \*'B' team entries are automatically placed on the waitlist behind all 'A' team entries until the close of entries.

The CGA is not responsible for errors or delays by any internet service provider or any mail carrier. Entries are only accepted between the open and close dates as stated above. Confirmation of acceptance is sent to players when their status is determined. Status may be checked at [www.carolinasgolf.org](http://www.carolinasgolf.org). ## **FORMAT**

Each club will enter two, two-woman sides each day. Each round's score is the aggregate of the two, two-woman sides. Club Teams may choose to compete in the Championship Division (gross scores only) or the Carolinas Division (net scores only). The overall champion will come from the Championship Division.

Round 1: Two-woman captain's choice – each player tees off, then the team selects the best shot and each player hits the next shot from that spot and subsequently selected spots until the ball is holed. In the Carolinas Division, handicap strokes for the side are allocated based on 35% of the A player's course handicap and 15% of the B player's course handicap.

Round 2: Four-ball stroke play (better ball of two). In the Carolinas Division, players receive 100% of their course handicaps.

Round 3: Pinehurst alternate shot – each player tees off, then players switch balls and proceed to hit their partner's ball on the second shot, then the side selects the ball to be played. Players then alternate shots from there until the ball is holed. In the Carolinas Division, handicap strokes for the side are allocated based on 60% of the A player's course handicap and 40% of the B player's course handicap.

Notes: In the Carolinas Division, if the difference between partners' course handicaps exceeds eight strokes in four-ball stroke play competition, an additional 10% reduction is applied to both partners.

Flights: Teams will be flighted based on 36-hole club team scores within each division.
