Qualifying site assignment is based on the date/time the CGA receives and processes each entry form. **Qualifying site assignments after the close of entries can only be changed if a spot opens up in another qualifying site.**

If a qualifying site is full at the time of registration, a player may opt to be placed on that site's alternate wait list or register at another qualifying site. A player may only register for one qualifying site. Wait list alternates and on-site alternates are ranked according to date/time an entry is received and processed.
