CURRENCY: The U.S. Dollar and Dominican Republic Pesos are used everywhere on the property. Away from Casa de Campo, Pesos will be needed ([Conversion Rates](#)). Casa de Campo can exchange currency. **It would be wise to bring \$1.00 and \$5.00 bills for any additional gratuities instead of exchanging your money for pesos.** You may use credit cards for purchasing items such as gifts, but the exchange rate given by the credit card companies is sometimes 20% less (not in your favor) and most companies charge 2-5% for an "international currency exchange" fee. Cash is best for shopping purchases.

TOURNAMENT INFORMATION

FORMAT: Format is 54-holes of four-ball stroke play. Gross and net prizes are awarded in each flight. A player's course handicap is limited to a maximum of 40 strokes prior to the 85% reduction as of the February 8, 2023 handicap revision. Teams choose the division in which to compete. Championship Division (Men=6500 yards, Women=5000 yards), Tournament Division (Men=6000 yards, Women=5000 yards), Senior Division (Men Age 55+=6000 yards, Women Age 50+=5000 yards), Super Senior Division (Men Age 65+=6000 yards, Women Age 65+=5000 yards) and **NEW in 2023: Social Division** (no formal competition, players may play any tees they want, all players still receive merchandise certificates). Teams will be pre-flighted by low player index on the team within their division. Make sure to switch score cards with your fellow competitors prior to play each round.

RULES: USGA Rules of Golf govern play. Local rules will be distributed prior to play. The Carolinas Golf Association reserves the right to alter the conditions or schedules as stated, including alteration of the round at any time during the championship. The competition is deemed to have closed when all scores have been verified.

PACE OF PLAY: Each group is expected to stay in position with the group ahead of you. **To assist with pace of play, please pick up if you are out of the hole and cannot assist your partner.** Typically, the pace of play at Dye Fore is between 5-6 hours so anything you can do to keep a good pace is appreciated. Pace of play on The Links and Teeth of the Dog courses are generally much better, around 4.5 hours. We do not recommend ordering sandwiches at the turn as this could take 10-15 minutes. Get a quick drink/snack and keep moving. Please plan your food needs accordingly during tournament rounds. Beverage carts will circulate during the round.

PRIZES: Merchandise (redeemable at Casa de Campo Pro Shop) will be awarded to winners at the conclusion of the competition. All players receive merchandise certificates, including the Social Division (all players in Social Division receive the same merchandise amount). If you do not need their assistance, then a simple "No Gracias" or "No Necesito" will be sufficient. Usually the shuttle bus driver and coordinator at the airport will expect a tip along with the luggage porters.
