SECTIONAL QUALIFYING AND WAIT LISTS (NEW)

Sectional qualifying is 18 holes of stroke play. The number of qualifying spots at each site is determined by the CGA after entries close, based on the size of the field when pairings are created. Qualifying site assignment is based on the date/time the CGA receives and processes each entry form. **Qualifying site assignments after the close of entries can only be changed if a spot opens up in another qualifying site. No Qualifying Sites may be changed the day of or the day before the qualifier.**

If a qualifying site is full at the time of registration, a player may opt to be placed on that site's waitlist or register at another qualifying site. **A player may only register for one qualifying site and attempt to qualify once.** Waitlist alternates are ranked according to the date/time an entry is received and processed.

Qualifying site player information is sent after entries are accepted.

Qualifying Spots: All ties for the final qualifying position qualify for the championship. No playoffs are conducted on-site at a qualifier. The CGA will now build an "alternate list" comprised of players who missed the cut by one stroke at all qualifying sites. Once the final qualifier is complete, any open spots in the championship (if available) will be filled from this "alternate list" by blind draw. This provision only applies if the championship field size is less than the target field size (above).
