4. Select all players that you wish to participate during the season. Players are listed in alphabetical order.
5. You can choose all eligible players on your club's roster, or a recommended minimum of 20.
6. You can add players from this list throughout the season; you do not need to put all players on your team immediately.
7. Remember, their low index must be no more than 18.4.
8. Click Add to add players to team roster.
