### 2022 CGA Interclub (REGULAR and SENIOR) Entry Information

Entries for the annual Carolinas Interclub competition are now open. This competition features neighboring member clubs competing amongst each other in match play net competition. 88 teams competed in the 24<sup>th</sup> REGULAR Interclub Season in 2021 while 121 teams battled it out for the 6<sup>th</sup> SENIOR Interclub title.

#### FORMAT:

- **REGULAR** Interclub team competition involves 8 players from each team competing in "Four-Ball" match play format. Minimum age is 18. Matches are played primarily on weekends.
- **SENIOR** Interclub team competition involves 8 players from each team competing in "Four-Ball" match play format. Minimum age is 55. Matches are played primarily on weekdays.
- Both leagues play home and away (6 total) matches during the regular season (Mid-March to Mid-July).
- Players in both leagues compete with 85% of their 12-Month Low Index (updated weekly every Monday).
- Each of the 4 Four-Ball matches is worth 18 match points (*1 point per hole*). 2 additional points are awarded to each Four-Ball winning team. A total of 80 match points is available in each Team Match.  
The team winning the majority (40½) of points will earn a win in their POD. Each POD win is worth 2 points in the standings. A (40/40) tie is worth 1 point for each team. Accumulated match points are recorded and used to break ties within POD standings and for Playoff seeding. Players should strive to win all available points.
- Playoffs begin the first week of August and are single elimination. 1<sup>st</sup> and 2<sup>nd</sup> place teams from each four team POD will earn a playoff spot. A 3<sup>rd</sup> team is invited from Pods with six teams. Teams with a .500 win/loss record or better will also make the playoffs.
- The "Final Four" teams from each league will compete for their respective championship at pre-determined sites and dates hosted by the CGA. Both "Final Four" sites and dates will be announced in February.
