SECTIONAL QUALIFYING AND ALTERNATES

Sectional qualifying is 18 holes. The number of qualifiers' places at each site is determined by the CGA after entries close, based on the size of the field. All ties for the final qualifying position qualify for the championship. Assignment or rejection is based on the date/time the CGA receives and processes each entry form. **Qualifying site assignments cannot be changed after entries close.** Qualifying site player information is sent after entries are accepted. Qualifying sites may be cancelled due to a lack of participation.

If a qualifying site attracts more players than can be accommodated, players are assigned to another site based upon their qualifying site order preference. A player may opt to list only one qualifying site preference on the entry form. If that qualifying site preference is full at the time the entry is received, the player is listed as an alternate at that qualifying site. Alternates and on-site alternates are ranked according to date/time an entry is received and processed.
