

CGA Ladies' Four-Ball Play Days Rules and Policies

Eligibility

Entry is open to any amateur female golfer who is a member of a club that is a member of the Carolinas Golf Association and has a current USGA Handicap Index® at a CGA member club. The minimum age for entry is 13 years as of the event date. A player with more than one handicap index must use the lowest current index. Entries are subject to rejection at any time including during the event, by the CGA or by the club hosting the tournament. The reason for rejection may include unbecoming conduct.

Entry Information (NEW)

Entries are accepted online only. Entry fee is \$150/team, which includes all golf fees, lunch, and prizes. Ladies' Four-Ball Play Days have two forms of registration: First-Come Registration (FCR) and Lottery Registration (LR). Each are defined below. Regardless of the type of registration, entries open at 8:00 p.m. on the entry open date. Teams who are a "No Show" (DNS) or "No Card" (NC) are subject to suspension from future ladies' four-ball play days. Tee time requests are not accepted. Entries will not be accepted before or after the open and close date.

First-Come Registration (FCR)

For most events, entries are accepted on a first-come, first-served basis (FCR). In FCR, alternates are ranked in the order which entries are received and placed on the waitlist. Entries close when the allotment of accepted and alternate teams is filled or at 11:59 p.m. on the entry close date.

Lottery Registration (LR) (NEW)

For select events clearly identified on the online schedule and listed below, a lottery will be used to determine entries (LR). LR will open at 8:00 p.m. on the open date and teams will have a 24-hour window to register. If the event is over capacity after the 24-hour window, all entries will be placed into a randomized lottery. The max capacity (usually 52 teams) will receive entry to the event based on lottery order and the remaining teams will be placed on the waitlist based on lottery order.

If the event does NOT meet max capacity in the 24-hour LR window, all registered teams will receive entry into the event. The event will then revert to FCR and teams who register after the window will receive entry based on a first-come, first-served basis. In this scenario, entries will close when the allotment of accepted and alternate teams is filled or at 11:59 p.m. on the entry close date.

There is no advantage to signing up earlier or later in the 24-hour LR window. All entries, regardless of registration time in the 24-hour LR window, are equal and will be placed in the randomized lottery. Teams will be notified of their status (registered or waitlisted) within 48 hours after the event opens. For example, if the event opens on Tuesday at 8:00 p.m., LR closes at 8:00 p.m. on Wednesday. The CGA will conduct the lottery and notify players of their status by 8:00 p.m. on Thursday.

All events are treated as separate events and no preference is given to any team for back-to-back events. LR does not affect or change any withdrawal or refund procedures (see below).

CGA Ladies' Four-Ball Play Days Rules and Policies

Format and Rules

USGA Rules of Golf govern play. Tournament format is 18 holes of four-ball stroke play (two-woman team, better ball of two), with both gross and net scores. Lunch will be provided for all players at the host club immediately after play, unless noted otherwise.

Handicaps: A player's Handicap Index is calculated as of the close of entries. **(NEW)** According to USGA recommended handicap allowances for four-ball stroke play, **85 percent of a player's course handicap is used to determine net scores.** Playing handicaps are limited to 45 strokes. Further Playing Handicap reductions are applied based upon the *CGA Four-Ball Handicap Reduction Policy* (see below).

The number of flights in each tournament is based on the number of entries. **(NEW)** Teams are flighted based on the low Handicap Index of the two teammates. Yardage will usually be between 4800-5300 yards, based on course restrictions.

Partner substitutions may be made online prior to the close of entries, but any partner substitutions after the close of entries must be made by calling the CGA office. Any on-site partner substitutions may result in the new partner playing at scratch. Cart use is mandatory for tournament rounds and caddies are not allowed (unless otherwise stated on player information sheet). Spectator carts are not allowed. Practice rounds are available at host club's discretion. The CGA monitors handicap score posting and reserves the right to adjust course handicaps and/or withhold prizes for competitors whose handicaps are considered unrealistic or who have participated in a disproportionate share of CGA prize distributions. CGA will automatically post tournament scores for participants as away scores.

CGA Four-Ball Handicap Reduction Policy **(NEW)**

Individuals or teams who record a Lowest Net Score (LNS) in two or more tournaments within the 12-month period prior to the tournament will be subject to reduced playing handicaps. The reduction may be withheld for an individual if that player's ratio of LNS to the number of four-ball competitions is less than 1 in 5. The Lowest Net Score (LNS) is defined as being a member of a team with the lowest overall net team score (includes ties) in any CGA Ladies' Four-Ball Play Day or as being a member of a team with the lowest net team score (includes ties) in a division at a CGA four-ball one-day tournament with net scoring. In Ladies' Four-Ball Play Days, LNS is determined from the whole tournament field, not per flight. Competitors who qualify for this reduction will be subject to the following playing handicap reduction for any CGA Four-Ball tournament or Ladies' Four-Ball Play Day: 2 LNS = 10% reduction of Playing Handicap; 3 LNS = 20% reduction of Playing Handicap; 4 LNS = 30% reduction of Playing Handicap; 5 LNS = 40% reduction of Playing Handicap, and so forth.

Prizes and Merchandise

Merchandise is awarded 1st place gross and net scores in all flights. Additional prizes will be awarded based on the number of entries. Merchandise certificates are redeemable only at the host club's golf shop. The CGA is not responsible for any unclaimed or unredeemed merchandise certificates after a tournament play date. The CGA will not replace any lost or unclaimed merchandise certificates/gift cards after a tournament is played.

Ladies' Four-Ball Play Days Tournament of Champions **(NEW)**

All winners (1st Gross and 1st Net) in all flights at all Ladies' Four-Ball Play Days will be eligible to compete in the Ladies' Four-Ball Play Days Tournament of Champions. The Tournament of Champions will be held at Kiawah Island Golf Resort (Osprey Point and Turtle Point) on December 9-10, 2020. The Tournament of Champions is a one-day event, but teams will be spread out over two days to allow a larger number of entries. Eligible teams will register for the event in a lottery (LR). Teams will be assigned their site/date based on the LR. Teams will not be given a preference of site/date and all site/date assignments are final.

The Ladies' Race to the Carolinas Cup

The Ladies' Race to the Carolinas Cup is a season-long points competition in which players accumulate points based on team finish and participation in Ladies' Four-Ball Play Days. Every team at every play day earns points in the Race to the Carolinas Cup based on their gross or net finish in their respective flight. Each team also receives participation points. Team points are split between players and apply to each player's individual standing in the Race to the Carolinas Cup. Players may play with any partner in any of the play days to earn points toward her individual standing. At the end of the Race to the Carolinas Cup regular season, the player with the most points is named the **Race to the Carolinas Cup champion.**

(NEW) The Race to the Carolinas Cup culminates in the **Carolinas Cup Tournament**, which will be held on December 15, 2020 at Pinehurst Resort (No. 1) in Pinehurst, N.C. The top 52 ranked teams that register for the tournament will participate in the Carolinas Cup Tournament. Team ranking is determined by combined individual ranking. For example, if Player A is ranked 65th and Player B is ranked 12th, their combined standing is 38.5. Teams will register for the Carolinas Cup Tournament in a 24-hour registration window. At the end of the registration window, combined standings will be determined and the top 52 ranked teams will be determined and will gain entry to the Carolinas Cup Tournament.
