-*All other withdrawals*: Player receives full refund minus \$30.00 administrative fee, refunded regardless of reason.

13. What is the CGA adverse weather policy?

All efforts are made to conduct tournaments as scheduled. This means playing in conditions from beautiful sunny days to cold, wet, and windy days. Tournaments/Rounds are generally only cancelled when the course is closed due to standing water or unsafe conditions exist, or are expected to exist, for a significant period of time. Tournament/Round cancellations are usually not made more than 24 hours in advance of play. All players are notified via email if/when changes are made to a tournament's schedule.

14. What if I am late to a tournament I am signed up for?

Rule 5.3 states, if the player arrives at his/her starting point, ready to play, within five minutes after his starting time, the penalty for failure to start on time is loss of the first hole in match play or two strokes at the first hole in stroke play. Otherwise, the penalty for breach of this Rule is disqualification.

If player is late, they may still join group and play, but will not be eligible for any prizes.

15. What is the CGA Pace of Play Policy?

Rule 5.6 states, in part: "The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish," and thereafter prescribes penalties for slow play. In order to prevent any such penalty, we suggest that you carefully review the following guidelines.

1. Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
2. Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
3. Be ready to play when it is your turn, and keep practice strokes and time taken to read putts to a minimum.
4. Play a provisional ball if your original ball may be lost or out of bounds.
5. Keep time taken at the snack bar or between nines to a minimum. If everyone does their part, then 4 ½ hours should be the maximum time taken to play a round of golf at a CGA tournament. Your CGA issued score card will have the acceptable pace of play per hole printed on it.

16. Does the CGA monitor handicaps?

As part of an ongoing effort to make CGA net competitions (including the One-Day Tournaments) as enjoyable as possible for all participants, the CGA Rules Committee reviews all scores posted during CGA net competitions. The purpose of the USGA Handicap System is to make the game more enjoyable by enabling players of differing abilities to compete on an equitable basis. A player's Handicap Index (H.I.) is a mark used to measure potential scoring ability.

In One-Day Four-Ball, Senior Four-Ball One-Day, and Ladies Four-Ball Play Days, the CGA implements the Four-Ball Handicap Reduction Policy. Individuals or teams who record a Lowest Net Score (LNS) in two or more tournaments within the 12 month period prior to the tournament will be subject to reduced playing handicaps. The reduction may be reduced for an

individual if that player's ratio of LNS to the number of Four-Ball competitions is less than 1 in 5. The Lowest Net Score (LNS) is defined as being a member of a team with the lowest net team score (includes ties) in a division in a CGA four-ball tournament with net scoring. This rule is in effect for CGA One-Day Four-Ball tournaments, CGA One-Day Senior Four-Ball tournaments, and Ladies Four-Ball Play Days or in a combination of these programs.

Competitors who qualify for this reduction will be subject to the following playing handicap reduction for any CGA Four-Ball tournament using net scoring: 2 LNS = 10% reduction of Playing Handicap; 3 LNS = 20% reduction of Playing Handicap; 4 LNS = 30% reduction of Playing Handicap; 5 LNS = 40% reduction of Playing Handicap, and so forth.

The CGA monitors handicap score posting and reserves the right to adjust course handicaps and/or withhold prizes for competitors whose handicaps are considered unrealistic or who have participated in a disproportionate share of CGA prize distributions.
