CGA Parent/Spectator Policy

- Be supportive of ALL players in the event.
- Please keep all conversations with players to words of encouragement. Advice cannot be given.
- Spectators should not give rulings. Please seek a CGA rules official if the need arises.
- Spectators are allowed to carry medicine, drinks, food, umbrellas, etc.
- CGA allows spectator carts at the discretion of the host club. Spectator carts must remain on cart path at all times. If you are assisting with the search for a ball, leave the cart on the path and walk to the search area.
- Spectators walking should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where a ball comes to rest. Spectators are allowed to help search for lost balls.
- Spectators (walking or riding) should remain on cart paths. In the absence of cart paths, we ask that spectators stay in the rough. Please stay off fairways, tees and greens.
- Spectators ARE NOT allowed to use cell phones while on the golf course. They should instead return to the clubhouse area to place business or social calls.
- For your personal safety, we ask you to exercise caution at all times. When dangerous weather approaches, the CGA will suspend play by sounding air horns. Accordingly, you should seek shelter immediately. The CGA staff will evacuate players from the course first, then spectators.
- The CGA staff may assess a penalty based on the severity of a spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility or may not be permitted to attend future CGA events.
- Spectators attend CGA events at their own risk.
